<b>Part III: Guidance and Advice</b>
N/A – no guidance or advice issued by the Pubs Code Adjudicator

<b>Part IV: Unfair Business Practices</b>
N/A – no representations made from the Pubs Code Adjudicator regarding unfair business practices

## **Section 4: Tied Agreements**

<b>Part I: Code Tied Agreements</b>	
<i>During the reporting period, numbers of:</i>	
New Agreements	662
<p><i>For all new substantive agreements, compliance is monitored to ensure all tied pub tenants are provided with the required information contained in Schedule 1 of the Code in order to make an informed decision in respect of the proposed agreement. Marston's ensure that tied pub tenant takes the necessary professional advice in relation to the pub, that they prepare a sustainable business plan and complete the necessary pre entry training course, unless they qualify for an exemption.</i></p> <p><i>The regulations relating to the assignment of a tenancy and short agreements are also complied with and all information required under the provisions of the code is provided.</i></p>	
Assignments	2
Forfeitures	7
• Of pre-Pubs Code tenancies	5
• Of tenancies granted since the Pubs Code came into force	2
<p>In total, Marston's have forfeited seven tenancy agreements during the reporting period. Marston's forfeited four tenancies which were agreements of 6 years and older. The four forfeitures were for non-payment of rent.</p> <p>One tenancy was for an agreement which was between 3-5 years old. This agreement was forfeited for non-payment of rent.</p> <p>Two tenancies were for agreements less than 1 year old. These agreements were forfeited for non-payment of rent</p>	
Section 146 notices issued	5
<p><i>Once a breach of covenant has been identified by Marston's, a copy of a tenant's current tenancy agreement and details of the breach are passed to external solicitors. Solicitors will then review and confirm if there has been a breach and will advise on appropriate action to be taken. If it is deemed the best course of action is a Section 146 notice, they will then serve this notice on behalf of Marston's.</i></p>	
Legal Surrenders <i>(where the tenant has surrendered their agreement and left the pub and <u>not</u> instances of 'surrender and regrant').</i>	45
<p><i>Marston's do not hold a central record of the reasons for legal surrenders. Following a request from a tied pub tenant to surrender an agreement, Marston's will consider each individual request, take a commercial decision taking all factors into consideration and write to the tenant informing them of the decision on whether Marston's agrees to take an early surrender</i></p>	
Abandonments	7
Renewals	10

For all Landlord and Tenant Act 1954 protected renewals, Marston's serve section 25 notices bringing tied agreements to an end in accordance with Landlord and Tenant legislation. Marston's then enter into direct dialogue with the tied pub tenants to negotiate the lease renewal.

A Schedule of Dilapidations will be carried out on all substantive agreements prior to termination; which will set out all of the tenant's breaches of repairing liability, together with the remedy for that breach, and will be issued to the tenant by electronic delivery, or by recorded delivery. The Schedule of Dilapidations will be carried out at least 6 months before the end of the agreement. The Schedule will be carried out by a Building Surveyor who will act in accordance with the RICS professional guidance note Dilapidations in England and Wales 7<sup>th</sup> edition and Marston's dilapidation protocol. In carrying out the Schedule of Dilapidations, the Surveyor will review the repairing obligations under the terms of the current agreement together with any Schedule of Condition attached to the agreement. Where a dispute occurs, the tenant should confirm the details within the Schedule of Dilapidations and return to the Surveyor, where the matter will be reviewed. If agreement cannot be reached between the Landlord and the Tenant, Marston's will follow the process set out within the RICS Dilapidations protocol. Outstanding dilapidations are agreed prior to the commencement of the new agreement and a final inspection is carried out three to six months later to sign off dilapidations. Decorating works are rolled over and undertaken during the term of renewal. Where an agreement is longer than 5 years Marston's will carry out an interim dilapidation inspection every 5 years, the Tenant will be asked to carry out any dilapidations within 12 months, except where the work presents a danger to the building and its occupants, these works will be required to be undertaken in a timely manner. Where a Tenant serves a valid MRO notice, upon service of the Schedule of Dilapidations the Tenant will be given 12 months to undertake any works identified except where the work presents a danger to the building and its occupants these works will be required to be undertaken in a timely manner, whether they remain tied or enter into a new MRO agreement.
